

MAKE YOUR **1ST** STEP COUNT

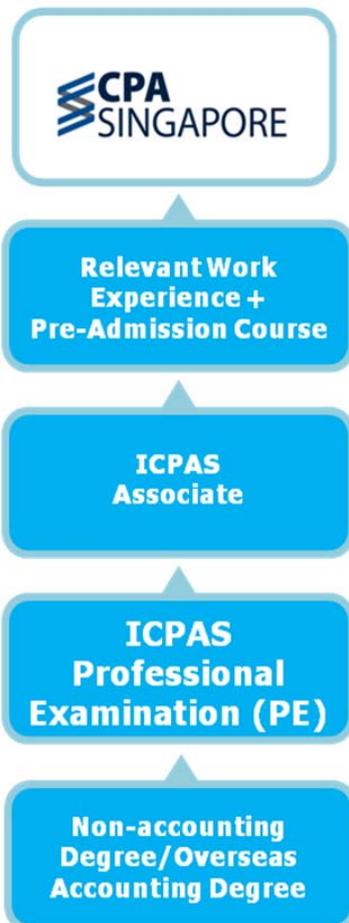

The ICPAS Professional Examination is the very first step towards attaining CPA Singapore designation.
Start Your Journey Today!

Dear Students

ICPAS is delighted to launch an updated and improved version of the ICPAS Professional Examination (ICPAS PE) programme. The refreshed programme is characterised by a well-rounded curriculum that will meet the needs of a challenging workplace and provide candidates with the flexibility of learning that would help them to balance their career, studies and personal commitments.

ICPAS PE Overview

ICPAS PE will provide training for graduates who did not major in accounting, or those who returned from overseas who may or may not major in accounting but wish to become ICPAS Associate Members in due course. After gaining relevant accountancy experience and passing the Pre-Admission Course, an ICPAS Associate may apply to become a **CPA Singapore**, which is mandatory to qualify as a public accountant.

The updated ICPAS PE comprises eight modules, three of which are assessed via computer-based testing (CBT) offered on a monthly basis, while the five written papers are offered in May and November of each calendar year. A maximum of three exemptions are available based on the candidates' prior course(s) of study and working experience.

ICPAS PE is a qualification of a high standard which is recognised by employers as meeting the competencies required of a professional accountant in business.

Benefits of PE

- A robust and high quality programme with premium branding and updated syllabuses
- A self-study programme which offers flexibility and learning support to suit candidates' study and working needs
- New learning materials, developed in collaboration with the Institute of Chartered Accountants in England and Wales (ICAEW), a leading international professional accountancy body and founding member of the Global Accounting Alliance (GAA), will be provided to support study
- No limitation on the number of modules to be attempted and candidates may enrol for the modules in any sequence
- Two intakes a year, with three modules offered on flexible CBT mode; very able candidates may complete the programme in one year

Entry Criteria

Applicants for the ICPAS PE must hold at least a Bachelor Degree from a recognised university.

How to Apply

Please refer to <http://pe.icpas.org.sg/Applicants/HowtoApplyforPE.aspx> and click on Apply Now!

Information Sessions

We are organising information sessions to provide more details about the programme and we welcome you to attend if you would like to find out more.

Please refer to <http://pe.icpas.org.sg/Announcement.aspx> for more updates on upcoming information sessions.
